

Open Enrollment Schools for the 2024-2025 School Year

Based on functional building capacities and student enrollment, the following schools will have an Open Enrollment status for the 2024-2025 school year.

Applications can be submitted to the school where enrollment is being requested from January 4, 2024 through February 23, 2024.

Elementary Schools - Open enrollment will only be at the schools indicated in Grades 1 - 5 unless otherwise indicated. Grade 6 will not be included for schools impacted by the boundary adjustments. Kindergarten will be determined after Kindergarten registration which will be completed in April.

Bates *	North Park
